

PAMA Learning Fund Application Form

PAMA's Learning Fund supports a variety of programming both at PAMA and within the community. The Learning Fund helps to reduce the financial barriers allowing students of all ages to engage, explore and connect with our collections through school field trips, community outreach programs, and with our hands-on activities for families. Our goal is to ignite a lifelong relationship with art and history.

The successful applicant will receive a class trip to PAMA for up to 30 students (transportation not included).
