

School Outreach Booking Form

Let us bring our Art Studio Workshops directly to you! We've carefully put our art workshops on wheels to bring the Peel Art Gallery, Museum and Archives experience directly to your classroom.

The classroom would require the following arrangements to host a successful program:

- Access to sinks
- A maximum of 30 students can be in one classroom with one PAMA Educator; two classrooms will be required for additional students
- Have tables covered with newsprint or paper to keep them clean
- Teachers must be always present during the program

Please fill out this form and submit it to infopama@peelregion.ca We will get back to you within two business days to confirm.
