School Programs

Explore. Connect. Create.

Art Studio Workshops

These 1.5-hour studio workshops, offered in a variety of mediums, are designed to teach students the creative process and enable them to experiment while making their own works of art.

| | |
|----------------------|--|
| GRADES K-3 | Expressive Lines Learn about colour and line as students experiment and develop skills in art using various tools, techniques and paint. |
| GRADES K-3 | Texture Using a variety of techniques, students will create depth and the illusion of textures while exploring the elements of design. |
| GRADES 4-8 | Clay Explore clay as a medium and learn basic slab techniques as students sculpt their own artwork. |
| GRADES 4-8 | Watercolours Experiment with traditional watercolour techniques to create a painting with different scientific effects. |
| GRADES 4-8 | Printmaking Collograph and relief prints will be created as students use simple printmaking techniques and apply positive and negative spatial concepts. |

Art Studio Workshops do not include a Gallery Tour. Make it a full-day and add a **My Gallery** or **My Museum Tour** or add-on a 30 min. **Quick Tour**.

My Gallery Tours

In these 2-hour programs, students will have the opportunity to create their own art and explore the Art Gallery, with a focus on Visual Arts Curriculum.

| | |
|----------------------|--|
| GRADES K | The Elements Shape, colour, texture and lines! Introduce students to the world of art through play-based learning. |
| GRADES 1-4 | First Visit Guide young viewers through the critical analysis process as they experience an interactive gallery tour and make their own art portfolio. |
| GRADES 5-8 | Art SmART Develop interpretive skills as students apply critical thinking to their discussions about art. Students will express their identity during the studio activity. |

All programs are curriculum based!
Visit us online for more details.

My Museum Tours

Featuring a tour of a Museum exhibition and a classroom activity, these 2-hour programs make connections to Social Studies, Science and Technology, Language or History Curriculum.

| | |
|-----------------------------|---|
| GRADES 1-3 | Names & Places in Peel Using clues from archival resources and museum spaces, students will discover the rich history of Peel. |
| GRADES 2-3 | STEAM Powered Explore the science of movement through simple machines, kinetic art and innovation. |
| GRADES 2-3 | Coming to Peel – Early Settlers Discover how settlers lived by exploring aspects of pioneer life and follow the story of a young woman’s journey to Peel in 1832. |
| GRADES 3, 5-8 | We Are Here Discover more about First Nations, Inuit and Métis cultures through an engaging exhibition tour, and hands-on experiences. |

Art on Wheels

Let us bring our Art Studio Workshops to you!

Our Educators will travel to schools within the Region of Peel, bring all materials and facilitate any of the following Art Studio workshops in your classroom:

- Expressive Lines
- Texture
- Watercolours
- Printmaking

Trash Talk: Waste Education Tour with Peel Environmental Education - Grades 3-8

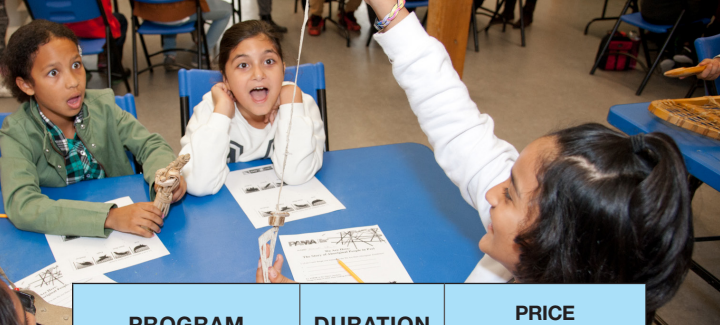

Available Tuesdays – Thursdays from October 2019 to March 2020

Reduce, reuse and recycle! Explore the importance of waste management and reduction through a tour of our special exhibition and Brampton's Community Recycling Centre. Free program, sponsored by the Region's Waste Management Division.

Resources

Pre and post-program activities will help your students engage with the material beyond the walls of PAMA and are provided upon booking.

Free accessible resource kits are available online to engage with Archival Resources from the comfort of your classroom.
