Art Studio Workshops

These 1.5-hour studio workshops, offered in a variety of mediums, are designed to teach students the creative process and enable them to experiment while making their own works of art.

GRADES K-3	Expressive Lines Learn about colour and line as students experiment and develop skills in art using various tools, techniques and paint.
GRADES K-3	Texture Using a variety of techniques, students will create depth and the illusion of textures while exploring the elements of design.
GRADES 4-8	Watercolours Experiment with traditional watercolour techniques to create a painting with different scientific effects.
GRADES 4-8	Printmaking Collograph and relief prints will be created as students use simple printmaking techniques and apply positive and negative spatial concepts.

My Gallery Tours

In these 2-hour programs, students will create their own art and explore the Art Gallery, with a focus on Visual Arts Curriculum.

GRADES

1-4

First Visit

Guide young viewers through the critical analysis process as they experience an interactive gallery tour and make their own art portfolio.

GRADES

5-8

Art SmART

Develop interpretive skills as students apply critical thinking to their discussions about art. Students will express their identity during the studio activity.

My Museum Tours

Featuring a tour of the Museum exhibition and classroom activity, these 2-hour programs make connections to Social Studies, Science and Technology, Language Arts or History Curriculum.

Community and Belonging

Stories of Home: Finding Community and Belonging in Peel is a new exhibition that will focus on personal stories using engaging activities about Peel's settlement and immigration history.

Community and Belonging will take a personal look at the history of Peel, immigration, community, and a sense of belonging. Students will explore the rich community that lives in Peel through hands on activities and tour of our new *Stories of Home* exhibition.
