School Programs

Explore. Connect. Create.

Art Studio Workshops

These 2-hour Art Studio Workshops offer students an outlet to explore the creative process, allowing for experimentation. The program combines a 30-minute Art Gallery tour, followed by making their own works of art.

GRADES K-3	Expressive Lines Learn about colour and lines through the art making process. Students will experiment and develop skills using various tools and techniques.
GRADES K-3	Texture Using a variety of mediums, students will create depth and the illusion of texture while exploring the elements of design.
GRADES 4-8	Watercolours Experiment with various watercolour techniques to create a final painting that uses different effects to express feelings, ideas, and understandings.
GRADES 4-8	Printmaking Using simple printmaking techniques, students will apply spacial concepts of positive and negative space in a variety of hands on, open-ended visual arts experiences.

My Gallery Tours

Focusing on the Visual Art Curriculum and the Critical Analysis Process, students will apply their knowledge in an Art Gallery setting.

These 2-hour programs combine an Art Gallery tour with a hands-on classroom experience. High school tours are customizable.

GRADES
